I understand that there are inherent risks of injury, including death, when participating in an Equine Activity, which risks include, but not limited to (1) the propensity of an equine to behave in ways 'that may result in injury or death to persons on or around them, (2) the unpredictability of an equine's reaction to such things as sounds, sudden movement, and unfamiliar objects, persons, or other animals, (3) hazards such as surface and subsurface conditions, (4) collisions with other equines or objects, and (5) the potential negligence of another participant, such as failing to maintain control over the equine, or not acting within the participant's ability,

If the undersigned is the parent, guardian of representative of any minor participating in this Equine Activity, the undersigned agrees to indemnify the above described Equine Activity Sponsor (including its/their above described related persons and entities) from any and all claims and causes of actions brought by or on the behalf of said minor at any time.
